maintain a 90 (with no grade lower than an 85 and Special Subjects/Conduct/Effort/Complying with School Policies all being a 3 or above). As long as this level of academics is maintained, the member will be considered to be “showing improvement” and will remain a member; however, if the member does not show academic improvement and/or does not attend to their improvement plan set up by their advisor(s) by the end of the subsequent trimester, the student will be referred to the faculty council for determination of dismissal.

- a. The member will receive written notification indicating the reason for possible dismissal from the adviser or Faculty Council. The member, monitor, and adviser will discuss the written notification in a conference. Situations that involve flagrant violations of school

rules or the law can warrant disciplinary action without a written warning although a meeting must still be held (see below).

- b. The member will be given the opportunity to respond to the charge against him or her at the meeting before the Faculty Council, advisors, and/or administration prior to the vote on dismissal. The Faculty Council will then vote on whether to dismiss. A majority vote of the Faculty Council is needed to dismiss any member.
- c. The results of the Faculty Council vote will be reviewed by the principal and then, if confirmed, expressed in a letter sent to the student and parents. Dismissed members must surrender any membership emblems to the adviser.
