## Mad Science presents: Junior Explorers

Some of the classes we will  
conduct this fall are as follows:

### Junior Explorers

Take a trip through some of the most unique areas of science. See how illusion and reality meet and test out the ideas that make our favorite toys and tricks work. You'll take flight with this Mad Science session.

Some of the weekly topics in this session are:  
*Movie FX, The Science of Magic, Sonic Sounds,  
Optical Illusions, Wacky Water,  
The Science of Toys, Radical Robots,  
The Science of Art & Great Gravity*

A minimum number of students must be enrolled in order for each class to run.  
Final decisions to run or cancel will be made before the start date of the program.  
There are no refunds for programs children fail to attend.
