SUBJECT: *Class Captain Volunteers*

The class captain is the designated parent volunteer who coordinates all other parent volunteers for that class. The class captain often organizes classroom learning experiences, parties, and field trip needs. Volunteering to be your child's class parent is a great way to contribute to the class while also getting to know other parents.

If you are interested in being a class captain, please fill out the information below and return the tear off to your child's teacher by September 13th.

Please note preference is given to an individual who did not serve as a captain last school year. Thank you for your attention to this request.
