

Mad Science Secret Agent Lab and Chess

At St. Francis de Sales

Secret Agent Lab

on Mondays for Grades K-2 and Grades 3-5

Step into the shoes of a detective and uncover the science involved in evidence gathering and analysis. You will probe the science of tracking as you stamp out scenarios and uncover codes in this session. Some of the weekly topics in this session include:

Crime Lab, Cracking the Case, The Science of Security, Agent Undercover, Sleuths on the Scene, Funky Forensics, Spy Academy, Junior Detectives, Discover Detection and Whodunit?

Deadline to register for Mondays is January 13th, 2020

School House Chess

on Wednesdays for Grades K-5

Schoolhouse Chess is devoted to helping kids develop learning and thinking skills by teaching them chess. Chess has been proven to help with logic, memory, analysis, reading, and mathematics, and has even been shown to improve IQ. However, Schoolhouse Chess understands the importance of making learning fun! We teach chess with fun characters and stories that are woven into a logical, step-by-step curriculum that begins with the basic rules and extends through advanced strategies and tactics.

Deadline to register for Wednesdays is January 8th, 2020

A minimum number of students must be enrolled in order for each class to run. Final decisions to run or cancel will be made before the start date of the program. There are no refunds for programs children fail to attend.
