St. Francis de Sales Catholic Academy My Temp Tracker Daily Health Screen

Thanks for your cooperation and patience in helping keep our children, faculty, staff and school safe.

How to Log in through our school website

a. Go to https://stfrancisacademybh.org/

b. Click on the button

c. Choose Parent login

d. Enter your cell phone, this should be any cell phone that gets Option C text alerts

e. A verification code will be sent to the cell phone, please enter the code and then select student screening. If you enter your cell phone number and get an error message please reach out to Mrs. Endall at hendall@stfrancisschoolbh.net

Please include your family name, child(ren)’s name(s), and cell phones of parents who will be answering the questions every morning. We hope to be able to work through any issues over the three orientation days and have all families up and running by September 14th 2020.

f. Please choose your child and answer the 5 questions. If your child’s temperature is 100.0 F or above and/or if you answer YES to any of the four questions do not send your child to school and schedule your child to see their pediatrician.

g. Repeat for each child
To add the website to your phone’s home screen please follow the instructions below

**iPad or iPhone**

1. Launch “Safari” app. This does not work from the “Chrome” app.
2. Enter into the address field [https://app.mytemptracker.com](https://app.mytemptracker.com) Tap “Go.”
3. Tap the icon featuring a right-pointing arrow coming out of a box along the top of the Safari window to open a drop-down menu.
4. Tap “Add to Home Screen.” The Add to Home dialog box will appear, with the icon that will be used for this website on the left side of the dialog box.
5. Enter the name for the shortcut using the on-screen keyboard and tap “Add.” Safari will close automatically and you will be taken to where the icon is located on your iPad/iPhone’s desktop.

**Android**

1. Launch “Chrome” app.
2. Open the website [https://app.mytemptracker.com](https://app.mytemptracker.com) to pin to your home screen.
3. Tap the menu icon (3 dots in upper right-hand corner) and tap Add to home screen.
4. You’ll be able to enter a name for the shortcut and then Chrome will add it to your home screen.
