Dear Incoming 7<sup>th</sup> Grade Families,

Attached you will find a flyer from the New York State Department of Health regarding the requirement for every incoming 7<sup>th</sup> grader in the state to receive one dose of the meningococcal vaccine before September 1, 2022. **Without documentation proving that this vaccine was completed, your child will not be able to enter school for their 7<sup>th</sup> grade year in September 2022.**

To ensure that your child will begin the 2022-2023 school year on time, our suggestion is that this vaccine is completed and documentation is submitted to the Main Office as soon as possible.

Unfortunately, noncompliance with this vaccination requirement will result in a \$1,200.00 fine on the school from New York State for each student. Noncompliance may also require administration to no longer allow the student(s) to attend St. Francis de Sales Catholic Academy.

We thank you in advance for your cooperation with this matter.

Sincerely,

Christopher Scharbach, Ed. D  
Principal
