Fall 2022

Dear Pre-K– Grade 5 Families,

The After School Program will continue for the 2022/2023 school year. Our goal is to provide a safe, nurturing, fun environment for your children who need care after the regular school day. Although this letter is directed to families with children in Grades Pre-K to 5.

On most days the program will include time for play, snack, homework help, and an activity for the day (arts & crafts, board games, etc.). The program will begin on September 19th. It will be in session Monday through Thursday on most days when SFDS is in session as long as at least 5 students are registered to attend. It will be staffed by members of the faculty assisted by 6th, 7th & 8th Grade students. The homework help that will be provided will be assistance with completing the day's written assignments. It will not be tutoring or studying for tests.

Following are the rates for the program for 2021/2022:

	<u>Dismissal – 5:30 p.m.</u>
1 st Child in Family	\$20
2 nd Child in Family	\$15
3 rd Child in Family	\$10 each

The teachers must attend meetings on half days so we are unable to have the After School Program when school dismisses at 12:00 pm

You will be asked once every two weeks to let us know the days your children will be attending the program for the following two weeks. An email will be sent to you by Wednesday, and it should be returned by Friday with the required information. Payment will be due through the FACTS system. Any family that fails to pay the after school fee when due will forfeit the privilege to use the service.

The number of moderators assigned to work each day is determined by the number of children pre-registered to attend. Late registrations and cancellations make it extremely difficult to run the program effectively, and these practices were a continuous problem this year. Your cooperation in adhering to the guidelines of the program will be greatly appreciated.

All children who will attend the after school program in 2022/2023 must be registered in the system. If you plan to have your child(ren) attend, please complete the attached form and return it to the office with the registration fee of \$50 per family (non-refundable) no later than **Friday September 9th 2022** .

We hope that the after school program will continue to help our families with their after school care needs.

Sincerely in Christ,

Christopher Scharbach
